SeaBlaze3

Lumitec's SeaBlaze3 underwater light has firmly established itself as the benchmark for value in underwater lighting. Boasting light output equal to that of competitors costing 3 to 5 times more, SeaBlaze3 is available in 4 output options, including 2 color. Surface mount for fast easy installation. Completely self contained with no external driver boxes to mount.

CE   IP67 Compliant   Certified Ignition Protected, Intrinsically Safe, USCG
