

SeaTeak® 2015

TEAK PRODUCTS FOR MARINE + OUTDOOR ENTHUSIASTS

The Teak Story

Boaters have long known the value of using teak wood in nautical applications. For more than 2,000 years teak wood has been used for building boats. The high oil content of teak makes it resistant to water, mildew and rot - perfect for environments exposed to weather. Sustainable in a humid, damp environment, teak is ideal for outdoor lifestyles and a nautical theme.

Seateak® products are made from the finest teak without knots, stains, pinholes or sapwood. Production management practices assure that each piece is made the same way. Independent quality checks ensure that all aspects of the finished piece meet the requirements of the engineered drawing. Designed to last for years in an outdoor environment, Seateak® products are durable even in their natural finish.

WATERBRANDS, LLC WARRANTY DETAIL

Waterbrands, LLC warrants its products to be free from defects in materials and workmanship for a period of one year from the date of original retail purchase. Waterbrands, LLC's sole responsibility under this warranty is limited to the replacement of product which is, in Waterbrands, LLC's opinion, defective. Waterbrands, LLC is not responsible for charges connected with the removal of such product or reinstallation of replacement or repaired parts.

We will have no obligations under this warranty for any product which:

- has been improperly installed
- has failed or has been damaged due to an accident or abnormal operation including misuse or alterations
- has been repaired or modified by entities other than Waterbrands, LLC

The express warranty set forth above is in lieu of all other warranties, express or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose. Waterbrands, LLC employees or representatives' oral or other written statements do not constitute warranties, shall not be relied upon by customer, and are not a part of the warranty stated herein. This warranty will be the customer's exclusive remedy. In no event will Waterbrands, LLC be liable for any incidental or consequential damages for breach of any express or implied warranty relating to the products.

Some states do not allow limitations on an implied warranty, or the exclusion of incidental or consequential damages, so the above exclusions may not apply to you. You may also have other rights which vary from state to state. If any part of this Limited Warranty is determined to be void or illegal, the remainder shall remain in full force and effect.

Waterbrands, LLC products returned under this warranty must be tagged with the customer's name, street address, and phone number to ensure proper handling, and returned freight prepaid to the selling dealer or to the Waterbrands facility in West Chester, PA. A copy of a sales register receipt showing purchase within the one year time frame must also be included.

Cockpit Table - Folding Leaves + 4-Drink Holder

Solid Teak Cockpit Table folds down when not in use for optimal space in small quarters. The entire unit is removable for storage. Easy to install with included clamps (no drilling of pedestal guard).

- Stainless steel hardware
- Closed dimensions: 16"W x 25"L
- Fold-down support leg 30-1/2" long
- Drink holder holds 4 glasses or 2 glasses and pair of binoculars
- Fits all pedestal steering guards (w/ 3/4", 1" or 1-1/4" diameter tubing) positioned in front of the steering post through the use of included rail clamps
- Natural Finish

60392 32" H x 15.75 W x 31" D when open
 32" W with leaves expanded
 25 lbs. 5-3/4" W & H drink holder

Cockpit Table - 4-Drink Holder + Removable Table

Solid Teak Cockpit Table can be easily removed and stowed, or used as a tray, when not in use for optimal space in small quarters. Easy to install with included clamps (no drilling of pedestal guard).

- Drink holder holds 4 glasses or 2 glasses and 1 pair binoculars
- Fits all pedestal steering guards (w/ 3/4", 1" or 1-1/4" diameter tubing) positioned in front of the steering post through the use of special clamps (included)
- Natural Finish

60394 25" L x 7/8" H x 16" W 14 lbs.
 5-3/4" W & H drink holder

Folding Deck Tables

These Deck Tables are finished with a coat of teak oil, and will create a beautiful look to your décor. Perfect as an accent or serving table.

60030 Square

60031 Round

20" x 20" x 20" 11 lbs.

Table Top: 7/8" D

Folded: 23" L x 20" W x 3" H

Bistro Table

Enjoy al fresco dining with this beautifully detailed teak Bistro Table. Easily fits a table setting for four. The high oil content in teak wood makes it the perfect piece for outdoor dining. Features an Oiled Finish.

60056 35-1/2" L x 29-1/4" H 35 lbs.

Folding Serving Tray

Designed for outdoor lifestyles, this teak serving tray is portable and collapsible for easy storage. Its solid teak construction makes this tray table perfect for your boat, patio or even indoors. Can be used as a breakfast tray or TV tray. Features a natural finish and stainless steel hardware.

60032 29" L x 21-1/4" H x 15" W 11 lbs.

Avalon Folding Multi-Position Chair

The Avalon Multi-Position folding deck chair is the perfect chair for dining tables. Collapses easily for storage so you can use it as extra seating for guests. Features an Oiled Finish.

60062 27" L x 23" W x 42" H 22.5 lbs.
Folded: 36-1/2" L x 23" W x 5" H

Britannia Folding Steamer Lounge

The Britannia Steamer folding chair is perfect for lounging on your deck, patio, boat or pool side. Add a few pillows and enjoy a relaxing afternoon with a book. A teak oil finish provides a smooth comfortable seat. Collapses easily for storage when not in use.

60063 57" L x 24" W x 38" H 35 lbs.
Folded: 50" L x 24" W x 7" H

Weatherly Folding 6-Position Deck Chair

The Weatherly teak deck chair is a slightly larger version of our Avalon chair. The smooth finish and solid teak design make it perfect for dining tables and relaxing on your boat, patio or dock. Folds easily for storage. Features a natural finish and stainless Steel hardware for outdoor durability.

60064 44-1/2" L x 22-1/4" W x 24-3/4" H 25 lbs.
Folded: 36-1/2" L x 24-1/2" W x 9" H

Windrift 6-Position Deck Chair w SS Legs

A modern take on our Avalon chair, the teak Bimini Deck chair features stainless steel legs for a sleek design. The teak and stainless steel construction make this chair perfect for patio, deck or boat. Features a natural finish and stainless Steel hardware for outdoor durability.

60066 42-1/2" L x 23" W x 23-1/2" H 21 lbs.
Folded: 33-1/4" L x 23-1/2" W x 7-1/2" H

Captain's + Director's Chairs

Our Captain's + Director's chairs are perfect for your boat. High-quality, water repellant TEXTILENE® seat fabric, smooth teak, and stainless steel construction make these chairs a comfortable seating solution. Folds easily for storage so you can use for extra seating for guests. Features stainless steel hardware. Seat and back are available in blue or white.

TEXTILENE® fabric seat and back are breathable, mildew and rot resistant, strong for durability, easy to clean and quick to dry.

Director's Chair

Build your own Cockpit Grate

Add a touch of tradition to your boat and build your own cockpit grate. The notched grating material comes in three thickness/cutout sizes and corresponding flat grate strips. You can build your grate two ways: 1) Using notched strips in both directions, or 2) Using notched strips in one direction on the bottom layer and flat strips in the other direction on the top layer. (This allows water to drain underneath grates that are installed on flat surfaces.)

	Length	A	B	C		
60862	Grating Material	4'	15/32"	1/2"	15/32"	.1 lbs.
60875	Flat Grating Mtl	4'	15/32"		15/64"	.1 lbs.
60887	Framing Material	4'	1-3/4"		15/32"	1 lbs.
60863	Grating Material	4'	11/16"	3/4"	11/16"	.4 lbs.
60876	Flat Grating Mtl	4'	11/16"		11/32"	.2 lbs.
60888	Framing Material	4'	2-3/4"		11/16"	2 lbs.
60864	Grating Material	4'	15/16"	1"	15/16"	.7 lbs.
60877	Flat Grating Mtl	4'	15/16"		15/32"	.5 lbs.
60889	Framing Material	4'	2-3/4"		15/16"	2 lbs.

Grate Combinations

Use the following combinations when building your grate:

60862 + 60875 + 60887 - Excellent for icebox grating or anywhere the grate is not required to support a significant load.

60863 + 60876 + 60888 - Recommended for use in showers or cockpits which have a relatively flat configuration.

60864 + 60877 + 60889 - Best for use in cockpits that have a significant slope to them, or any place grating would be used that requires a great deal of support.

How Much to Order?

Use the following guidelines to determine how much grating you should order:

60862 + 60875 - Order one strip of each type of grating for each inch of area you are covering in both directions.

60863 + 60876 - Order one strip of each type of grating for every 1-1/2" of area you are covering in both directions.

60864 + 60877 - Order one strip of each type of grating material for every 2" of area you are covering in both directions.

If framing is required, consider Dimension A of framing material.

Assembly

Assembling your cockpit grate is simple. Measure, cut, glue, drill and screw. It is recommended that a waterproof glue be applied to every place the grate intersects, and that a screw be installed at every other intersection. The use of screws is especially important in the two larger sizes of grating material.

2" Round Drawer Knob

60120 1-1/2" H
2-pack; Includes hardware

Holds 4 glasses/cans in insulators, or 2 glasses/cans in insulators + 1 pair of binoculars. 62654 includes (2) 72669 steering pedestal clamps for mounting on steering pedestal.

Teak Lumber

Made from the finest plantation teak available, Seateak Lumber goes through a Kiln-drying process before milling to ensure long-lasting durability. A machine-finish on all sides creates a smooth feel. Seateak Lumber offers the classic finish known for centuries as the best way to protect boats against Mother Nature.

Part No.	Thickness	Width	Length	Weight
60808	3/8"	5-3/4"	12"	.7 lbs.
60809	3/8"	5-3/4"	36"	2 lbs.
60810	3/8"	5-3/4"	60"	3.4 lbs.
60811	1/2"	1-3/4"	30"	.7 lbs.
60812	1/2"	1-3/4"	36"	.8 lbs.
60813	1/2"	1-3/4"	72"	1.7 lbs.
60814	7/8"	7/8"	30"	.6 lbs.
60815	7/8"	1-3/4"	48"	2 lbs.
60816	7/8"	3-3/4"	12"	1.1 lbs.
60817	7/8"	3-3/4"	3-7/8"	.4 lbs.
60818	7/8"	4"	36"	3.4 lbs.

Teak Tongue + Groove Planks

Teak Tongue + Groove planks can be used as paneling or flooring
 100% solid teak planks with unfinished end
 7/16" thick + 2-3/4" wide face when installed
 Full length joint creates strong and beautiful finish
 Teak planks easily attach together for a tight fit
 Safe to install with 2-part epoxies or 1-part polyurethanes
 Marine varnishes and polyurethanes can be used to enhance the appearance

For a dark finish in outdoor applications use boiled linseed oil

Part No.	Thickness	Width	Length
60890	7/16"	2-3/4"	18"
60891	7/16"	2-3/4"	24"
60892	7/16"	2-3/4"	30"
60893	7/16"	2-3/4"	36"
60894	7/16"	2-3/4"	48"
60895	7/16"	2-3/4"	60"

Teak Veneer Kits

Teak Veneer Kits add a teak finish to your indoor or outdoor projects. It bends and flexes to work with curves, and shapes without splitting. Use teak veneer in projects like cabinetwork, counter tops, desks, doors, tables and planters.

100% solid teak 2 square foot veneer kits

Made from premium sliced hardwoods spliced along the edges for full width
 4 pieces of veneer in each kit

Part No.	Thickness	Width	Length
60897	1/16"	3"	24"
60898	1/8"	3"	24"
60899	1/4"	3"	24"

Quick Grip

Powerful dual locking suction cups can be mounted in any direction

Easy to install and remove with the flip of a lever – no tools required

Stainless steel hardware

Safety Information: Must be mounted on a clean, smooth, flat, nonporous surface; Use to assist with balance only – Do not use to leverage body weight; Always make sure the QuikGrip is securely attached before use; Clean the mounting surface and the suction cups before first use; Un-install and reinstall regularly to ensure the suction remains. Not intended for shower use.

Part #70080
